To enroll, log on to Employee Self Service at [www.rfsuny.org/selfservice](http://www.rfsuny.org/selfservice), starting **November 1**. If you need help, refer to the Employee Self Service Guide, which you will find on the site. (For best results, use Internet Explorer.)

## What Happens if You Don’t Make Changes

If you take no action during open enrollment, your current GSEHP benefit elections will remain in effect for 2019. For example, if you currently have coverage for yourself and one dependent, you will continue to have coverage for yourself and one dependent.

Benefits purchased on a pretax basis can only be changed during open enrollment. You will not be able to change your GSEHP elections outside of the open enrollment period unless you experience a qualifying event, such as getting married or having a child.

THINGS TO KNOW ABOUT Open Enrollment

1. **Deductions for 2019 premiums** – New deductions for 2019 premiums will appear on your first paycheck of the new year. Make sure to review your paycheck to confirm deductions are accurately reflected.

2. **If you can’t enroll online** – You can submit the proper form to your campus Benefits Office. To enroll for Health, Dental and Vision Care, you must complete the Graduate Student Employee Enrollment Form, which is available from the RF Benefits website (www.rfsuny.org/benefits) and from your campus Benefits Office.

3. **If you are enrolling a domestic partner** – Please complete a paper enrollment form. To be approved, you also need to provide supporting documentation to show proof of one-year residency and financial interdependency. To obtain the enrollment form and for additional details, visit the RF Benefits website (www.rfsuny.org/benefits).

4. **You must print your confirmation statement** – You will have one chance to print an enrollment confirmation statement. Once you have entered your elections online through Employee Self Service, use your browser’s print function (File > Print) to print your Confirmation Statement screen. If you navigate away from the Confirmation Statement, you will not be able to review it again online. Your confirmation statement is proof of your enrollment in the event of a discrepancy.

5. **If you need more information** – Visit www.rfsuny.org/benefits or contact your campus Benefits Office.

---

**Will my benefits choices affect my income taxes?**

As required by the Affordable Care Act (ACA), you will receive a Form 1095 in February. The form serves as a statement of the health insurance you enrolled in and are eligible for. You will need this form to complete your tax return, but you do not need to send this form in with your 2018 tax returns. Be sure to keep it with your other tax documentation. To ensure you receive your Form 1095, make sure your address is up to date with your Human Resources Department.

New York State Paid Family Leave Program

Last year, New York State introduced the Paid Family Leave Program. It provides job-protected, paid-leave to bond with a new child, care for a loved one with a serious health condition or help relieve family pressures when someone is called to active military service. This benefit is paid for by employees through payroll deduction and it is not optional for most employees.

What’s Changing for 2019

Paid Family Leave benefits are being phased in through 2021. The changes for 2019 include:

- **An increase in the number of weeks** — The number of weeks you can take for Paid Family Leave will increase from the current 8 weeks to 10 weeks.

- **An increase in the maximum percentage of the Employee Average Weekly Wage* (AWW) and State Average Weekly Wage (SAWW)** — The AWW and SAWW will increase from 50 percent to 55 percent. This means your weekly Paid Family Leave benefit is increasing.

  Example: In 2019, the program will pay you 55 percent of your AWW during a qualified leave. This means an employee earning $1,000 a week would receive a benefit of $550 a week (55 percent of $1,000) for up to 10 weeks. But a second employee who makes $2,000 a week would receive a benefit of $746.41 for up to 10 weeks. That’s because the second employed’s pay is capped by New York State’s AWW – currently $1,357.11 (55 percent of $1,357.11).

*The Average Weekly Wage (AWW) is set every year after a comprehensive analysis by the New York State Department of Labor.

- **An increase in the deductions and removal of the weekly cap on deductions** — Currently the deduction rate is .126 percent of weekly earnings capped at $1.65 per week or $3.30 bi-weekly. Starting January 1, 2019, the deduction rate will increase to .153 percent of weekly earnings and will be capped annually at $107.97.

For more information, refer to the Benefits Handbook, available from the RF Benefits website (www.rfsuny.org/benefits) under “Quick Links” or from your campus Benefits Office.
